## A MESSAGE FROM THE PRESIDENT

DR. ROBERT HANSON

Welcome to Winona State University, home of the Warriors.

During this 1981 football season, we continue the fine traditions of sportsmanship and outstanding competition that have been inherent in our athletic program. We are proud of our student athletes who represent the 15 intercollegiate sports on campus.

Winona State University, oldest member of the State University system, is devoted to the pursuit of excellence in both its academic and athletic endeavors. If we are to achieve these goals, we must have support and participation from individuals who believe that athletics plays an important part in the total educational program. It is with that thought in mind that we invite you to join the Warrior Club, Winona State's athletic booster organization, which is dedicated to the support of intercollegiate athletics.

Dr. Robert A. Hanson

## TODAY'S GAME

Today the Warriors face a tough challenge. They have a chance to end the University of Minnesota Duluth's string of nineteen straight victorys — the longest NCAA division II winning streak in the nation. The Bulldogs invade Maxwell Stadium with a 7-0 overall record and a 3-0 conference record. In the last NCAA poll, UM-Duluth was placed at a tie for tenth place in the nation (division II).

On offense the Bulldogs are led by running backs Boyd Hanson and Tom Stoll who have combined for 1,200 yards rushing and seventeen touchdowns. Quarterbacking the club will be Bruce Grant — son of Minnesota Viking's coach Bud Grant. Bruce has thrown for 767 yards and five touchdowns.

On defense the Bulldogs are led by their defensive secondary who has intercepted a club record of 26 passes so far this year. They will be starting an all senior defensive backfield.

The Warriors are currently 1-6 overall and have a 1-3 NIC record. Last week Winona State played well against UM-Morris but were defeated 27-7 in a game that was dictated by continuous rain and strong winds. The Bulldogs defeated Bemidji State by a 21-3 score.

# CHEVY CAVALIER **THE ESCAPE HATCH**

## ***Escape to where you long to be.***

Here's the kind of engineering designed to take you miles away from the middle of the road. The 1982 Cavalier Hatchback. A brand-new car that owes its creation to innovation. Not imitation.

## ***Escape with the goods.***

Reclining front seats, power brakes, side and rear window defoggers and a remote hatch release (quite a remote feature on ordinary hatchbacks) combine with 38 other standard features to make the '82 Cavalier the most complete new car we've ever introduced.

On the technical side, innovations in front-wheel drive, aerodynamic design and operating efficiency help add

up to 43 Est. Highway/26 EPA Est. MPG.\* And engine buffs will be interested to know Cavalier's standard 1.8 Liter, 4-cylinder engine actually delivers more horsepower per liter than some highly regarded V8s.

## ***Plan your escape now.***

Your Chevy dealer can help put your escape plan in motion, starting with a test drive. Get inside. Drive it around the block. Then all that's left to do is to decide whether you want to buy or lease a new 1982 Cavalier. Whichever you choose, one thing's for sure:

You won't have any trouble at all adjusting to your new freedom.

\*Use estimated MPG for comparisons. Your mileage may differ depending on speed, distance, weather. Actual highway mileage lower. Chevrolets are equipped with GM-built engines produced by various divisions. See your dealer for details.

# The simple pleasures of driving a Honda Prelude. Starting from the top.

We think you'll agree, it's a real pleasure to look at.

But our sportiest Honda also sports the kind of features that make it a thrill to drive.

THE POWER-OPERATED MOONROOF. FOR OPENERS, IT'S STANDARD.

At the push of a button, the tinted-glass moonroof slides back. At the same time, an automatic deflector helps keep the wind out.

When you're behind the wheel, you'll be pleased at what you see in front of it. This year, the instrument panel houses a separate tachometer and speedometer, a quartz digital clock, a maintenance reminder and an electronic warning system.

Of course, the Prelude is just as much of a pleasure to sit in.

Its luxurious interior features comfortable bucket seats and adjustable headrests.

SOME SIMPLE ENGINEERING FACTS.

Our sportiest car has front-wheel drive, four-wheel independent suspension, rack and pinion steering and a responsive 1751cc CVCC® engine. The fact is, the Honda Prelude is designed to give you years of good performance.

POWER STEERING COMES AUTOMATICALLY WITH THE AUTOMATIC TRANSMISSION.

The 5-speed stick shift is standard. But with the optional automatic 3-speed, you also get variable-assist power steering.

And after you've weighed all your options, we hope you drive off in the Honda Prelude.

**HONDA**

We make it simple.
